Dear BHS Families,

For the next several weeks, Bellingham Public Schools will be surveying parents and guardians, along with students (grades 3, 5, 7, 9 and 11) and staff. Our district's strategic plan, The Bellingham Promise, guides our work and emphasizes our collective commitment to our children. We believe that all children should be loved and that every child can learn at high levels. We need your feedback on what we are doing well and what we can continue to improve.

If you have more than one child enrolled in the same school, please fill out one survey for each child, as your answers may vary. Your surveys will indicate which child's experience to consider as you answer the questions.

Please complete this survey by November 21, 2017.

Please visit the website listed below and use your school's access code. You may use a computer or a smartphone to access the online survey.

SurveyWebsite: <https://surveys.panoramaed.com/bellinghamwa/bellinghamhigh>

Your Access Code: **bellinghamhigh**

Thank you in advance for taking the time to assist us in collecting this critical information, and for being a valued member of our Bellingham Public Schools community.
