## Making a Difference

I'm so proud of the many ways our school family makes a difference in Bellingham and beyond. Most recently, our students and staff demonstrated our **Collective Commitment of “treating others with dignity and respect”** by collecting items for our district's [Family Resource Center](#). Organized by our Raider Mentoring class, two large shipments ranging from blankets to shampoo were delivered to the Center. Our Volunteer Club regularly assists with local events and recently assembled [Days for Girls](#) hygiene kits which are distributed throughout the world, and we have students organizing a free January viewing of the video [“He Named Me Malala.”](#) I have my own opportunity to make a difference as I join a [group of 45 educators](#) to build a school in the Dominican Republic in January; I'm excited to share this journey with our school community and thankful for the BHS admin team that will so capably cover my weeklong absence.

It's great to be a Red Raider!
