

Student Information

- It is Scholarship Season! Juniors and seniors check out the CC Scholarship web page or stop in the Career Center to see what is available.
- Kim Rangel, a BHS graduate, will be here for a presentation in the Career Center on January 18th. Kim pursued a degree in Aeronautics at Embry Riddle University and is now a Flight Officer with American Airlines. She will speak about her journey and scholarships. She'll also speak to the Avid classes, and other students are invited to join. Come to the CC to attend.
- Mr. Balsiger would like every student to log in to their school email account and take an on-line RUP Refresher course. It is very short and very important. Please take the time to open your school Outlook email and view Mr. Balsiger's message.
