## **From the Principal**

Happy new year! We hope that you had a restful and enjoyable winter break. With the semester ending in two weeks, we are focused on supporting students as they finish required classwork and prepare for final projects and exams. Many final activities are scheduled for **January 25 and 28**, with some year-long classes testing earlier in the week. We encourage families to talk with their students about individual schedules during this important week as well as check grades in Skyward. Please don't hesitate to contact teachers or other staff if you need additional information.

We have also been studying the relationship between attendance and academic achievement. [OSPI reports](#), “Every absence, excused or unexcused, is a learning opportunity lost and can have significant impacts on a student's success in school and life.” While illnesses and other emergencies can't be avoided, thank you for making regular attendance a priority with your student when possible.

Finally, spring and more daylight are just around the corner! For BHS, that means you'll be hearing more about graduation and registration for next year's classes in the weeks ahead.

**Linda Wise Miller, BHS Principal**

The next BHS PTSA meeting will be held on **Wednesday, Jan. 16, 6:10 - 7:45 p.m.** in the Staff Lounge. Superintendent Greg Baker will be attending and responding to questions. All are welcome to participate.

PTSA meetings are typically held on the third Wednesday of the month, so mark your brand new 2019 calendar and get involved in supporting BHS students and staff.
