RE: Cascadia Eye's 19th Annual "Excellence in Education" Scholarship

Dear Career Center Facilitator:

Cascadia Eye is pleased to announce that we will offer our 19th annual \$1,000.00 scholarship to high school seniors in our service areas, with a G.P.A. of 3.25 or better. This year we have changed our scholarship focus and no longer require that applicants focus in pursuing a career in the medical field. We have opened it up to students with any major who will attend full time programs at a trade school, college or university. It will be offered in three regions: 1) Skagit/North Snohomish County, 2) Whatcom County, and 3) Coupeville/Oak Harbor/Island County.

Applications must be received no later than April 15, 2021. The application consists of the application form, an essay, official transcripts and one letter of reference from either a teacher or employer. Applications may duplicated, printed from our website, or additional copies may be picked up or dropped off in any of our five locations. Students should email applications to marketing@ncascade.com.

Sincerely,

Dan Siapco, M.D.
