

**2021 Enrichment Scholarship Program
RECOMMENDATION FORM
(to be completed by a non-relative)**

Student's Name _____ School & Grade _____

Recommender's name (printed clearly) and contact information (in case we have additional questions) _____

You have been asked to provide your evaluation of this student, who is competing with his/her peers for a scholarship to attend a summer program of his or her choice (non-religion-based and not pure sports). One thing new this year is that the student need not specify the exact program at the time of the scholarship application (winners will have until early June to make a summer program selection and get the registration materials to us so that we can add the scholarship payment). Thus, we are not asking you if there is a good fit between the student and a specific summer camp; rather, do you think this student will make good use of a summer opportunity he or she chooses, and will benefit from it? Your evaluation will provide 1/3 of the application score.

Please circle the number closest to your response to the questions below:

1. In your opinion, how committed/motivated will the student be about attending their chosen summer program?

Very committed 5 4 3 2 1 Not at all committed

2. To what extent do you think having a summer program opportunity will benefit this student?

Very beneficial 5 4 3 2 1 Not at all beneficial

In a short narrative (on the back of this page, or in an attached letter), please give us more information. In what capacity, and for how long, have you interacted with this student (e.g., are you a counselor, teacher, coach, neighbor, etc.)? What are the student's strengths? Are there special circumstances you may be aware of, which you think we should consider in evaluating this student's application?

IMPORTANT: When you complete this form please sign it, and seal it in an envelope signed across the flap before giving it to the student. You may also mail the form directly to us at Assistance League of Bellingham, ESP Chair, 2817 Meridian, Bellingham WA 98225. It must be postmarked by April 14, 2021. Thank you!
